## “Activities 101 and 102”

**Presentation Length- 2 Hours**

**Presenter – Margaret Eubanks**

**Objective:** The objective of this educational seminar is to instill the mission of providing quality of life for our residents’ mental health, physical, spiritual, and emotional well being.

Participants will be given methods to encourage resident participation in meaningful self-expression to achieve maximum independence through learning and creativity.

Participants will learn about standards of professional practice, methods, and resources as well as networking opportunities among peers.

I. General Standards

- Preparation
- Education
- Program Objectives
- Resident Rights

II. Educational Standards

- Seminars
- Workshops
- Professional accredited programs
